

# NAVAJO NATION FALL HUNTING PROCLAMATION

July 1, 2022 - June 30, 2023

**APPLICATION DEADLINE IS May 13, 2022**

**[www.nndfw.org](http://www.nndfw.org)**

**IMPORTANT CHANGES:** It is the hunter's responsibility to know the status of the land they are hunting on. Navajo Nation permitted hunters are allowed to hunt **ONLY** on Navajo Nation TRUST lands and allotted lands with written permission from the allottee.

DTN Hunt Codes have been changed so that the number represents the unit in which the hunt occurs.

Hunters are required to submit a hunter survey card for each permitted hunt regardless if your harvest is checked by NNDFW personnel. Survey cards will not be accepted at NNDFW check stations.

The only hunts with a mandatory check-in will be the DG-11, DNS, ENS and BHS hunts. The Department is trying to increase the number of Chronic Wasting Disease samples taken in the deer and elk herds due to the disease being found adjacent to the Navajo Nation in the four corners area. Therefore, there will be a mandatory check-out requirement for the DG-11 hunt at the Hovenweep check station or by appointment at the main office in Window Rock. Failure to check out an animal will result in the hunter being ineligible the following big game hunt season. All other hunters are encouraged to get their animals checked at deer check stations during the rifle deer hunt or make an appointment at the Department main office in Window Rock, the Fish Hatchery in Toadlena, or at Nenahnezad Chapter House Warehouse. Hunters can call 928-871-6450 for more information or to schedule an appointment.

The Department no longer prints Social Security numbers on big game hunt permits. Social Security numbers are still required on the big game hunt application.

Hunters that are ineligible due to a survey card infraction must pay a penalty fee of \$100/hunt code to enter the big game permit draw or sit out that hunt season they are ineligible for. However, be mindful you can sit out two hunt seasons due to how the ineligible list is compiled. For more information, please call our office at (928) 871-6450.

**IMPORTANT REMINDERS**

- **Using ONX while hunting on the Navajo Nation.** The Navajo Nation does not supply ONX with any information in regards to land statuses. Terms like Off Reservation Trust is a term used by ONX but was not given by the Navajo Nation. The term Off Reservation Trust appears primarily in Units 13 and 14. The exact land status may be Trust, Allotted, Tribal fee, or Private land owned by the Navajo Nation. Units 13 and 14 are very checkerboard, with a lot of the land being allotted. Allotted Lands are treated the same as private property!! Allotees can deny access to Allotted lands which may be fenced and locked. You need written permission from the Allotee to hunt on Allotted land. On lands where there are multiple Allotees, hunters need 51 percent of the registered Allotees to have permission to hunt on that portion of Allotted land. Hunters should inquire about land status and land status maps by contacting the Navajo Nation Land Department at (928)871-6401 or Website: [nnd.org](http://nnd.org), for exact status of certain lands.
- **The Department will be accepting big game hunt applications via email, mail or the drop box at the main Fish and Wildlife Office. Fillable applications and Credit Card Authorization Forms are available on the Department web site. Email applications and Credit Card Authorization Forms to [hunt@nndfw.org](mailto:hunt@nndfw.org). Incomplete applications or Credit Card Authorization Forms that are not signed will be rejected. The fall hunts could be cancelled at a later date due to the Covid 19 Pandemic or special provisions may be required, such as wearing masks and social distancing.**
- **For applications that are emailed, electronic signatures and scanned signatures are acceptable.**
- **In an effort to reduce the number of left-over permits, the draw process is being amended. Once the Navajo and non-Navajo draws are completed (1<sup>st</sup> through 4<sup>th</sup> Choice draws), a final left-over draw will be conducted without any quotas in effect for those Hunt Codes that have leftover permits remaining.**
- Left-Over Permits: Left-over permit sales will start July 9, 2022. Left-over sale procedures will be available prior to July 9, 2022.
- The Navajo Nation Fall Hunting Proclamation is a supplement to the Navajo Nation Hunting and Trapping Regulation Booklet. Any changes outlined in this proclamation supersede the Hunting and Trapping Regulations.
- ATV's are not allowed during big game hunts, except by special permit, or to retrieve downed game. Possession of a firearm, bow or muzzleloader during retrieval is prohibited.
- Non-Navajo big game hunters using hounds for bear and lion hunts may only be accompanied by Immediate family. Immediate family is defined as spouse, mother, father, son, daughter, brother, sister, grandfather, grandmother. Aunts, uncles, cousins, friends, are not considered immediate family. It is illegal to accompany a non- Navajo in the field while hunting or scouting if that person is not an immediate family member.
- Small game hunting, including furbearers, is permitted year-round with proper small game permit.
- It is illegal to bait big game for the purpose of hunting or scouting. Baiting is defined as placing a natural or artificial food source or supplement utilized to attract a big game animal.
- Immediate family is defined as spouse, mother, father, son, daughter, brother, sister, grandfather, grandmother. Aunts, uncles, cousins, friends, are not considered immediate family. It is illegal to accompany a non-Navajo in the field while hunting or scouting if that person is not an immediate family member.
- It is a violation for any non-Navajo to guide or use their hounds to hunt game for any hunter unless they are immediate family.
- Non-Navajo hunters using illegal guides or hounds-men who make a kill and subsequently remove the carcass from the Navajo Nation are in violation of both Navajo Nation and federal wildlife laws and will have their hunting privileges revoked. Non-Navajos accompanying big game hunters will be issued a citation for illegal guiding under this provision.
- **DO NOT MAKE ANY MISTAKES WHEN FILLING OUT THE CASHIER'S CHECK OR MONEY ORDER OR YOUR PAYMENT AND APPLICATION WILL BE REJECTED.**
- Payment may be made by credit card, Cashier's Check or Money Order. Payment must be made out to the Navajo Nation. If paying by Cashier's Check or Money Order, the applicant must pay the full amount of the hunt cost. Payment by Credit Card may be done by completing a Credit Card Authorization Form. At the time of application, Credit Cards will only be charged the \$15.00 application fee. Upon being drawn, the remaining

cost for the hunt will be charged to the Credit Card on file. If that Credit Card declines, that will result in the applicant being rejected from the hunt, automatically.

- If you receive a wildlife violation citation, you will be ineligible to hunt big game. You must successfully complete a hunter education class to become eligible to hunt again.
- All deer and elk hunters are required to submit the 2 lower middle incisors (Teeth). All buck deer and bull elk hunters must also submit a photograph of the animal they harvest.
- If you wish to apply for a trophy hunt, you can select up to three DT hunt choices on one application and three ET hunt choices on one application. You cannot mix the DT hunts with the ET hunts on one application.
- Mobility Impaired Navajo Hunts: Mobility Impaired permits are for individuals who are permanently disabled. Mobility Impaired permits are available at a 50% discount. 5 General Deer Permits and 5 General Elk Permits are reserved for Mobility Impaired Hunters. If there are more than 5 applicants, for each hunt, then a random computer drawing will be conducted. To apply for a Mobility Impaired Hunt, include documentation of a Mobility Impaired Card or current Doctor's statement (not a rear-view mirror placard) and the general deer or elk hunt code you are applying for on a completed Big Game Hunt application. A mobility impaired permit authorizes the permittee to hunt and/or shoot from a vehicle and/or use an ATV/UTV. If a mobility impaired hunter has additional needs, they should include any special needs or other hunting regulation variances in a request to the Fish and Wildlife Director. **Mobility Impaired Hunters must apply individually.**
- For temporary disabilities, an individual may request an exemption to the hunting regulations for a specific time frame by requesting the exemption in writing to the Director along with a Doctor's statement.
- 2022 Mountain Lion and Spring Gobbler hunters that fail to return their survey card will be placed on the 2023/2024 ineligible list due to time constraints with survey card deadlines and fall hunt application deadlines.
- If an applicant cancels their money order or Cashier's Check, or if the money order or Cashier's Check is returned, the applicant will remain ineligible to hunt until they pay all permit/application fees and the insufficient fund/returned check fees.
- REFUNDS: Refunds will be issued only to the hunt applicant, except for the Youth Hunts. See the Youth Hunt sections (DY and EY) for additional information.
- General Deer Hunts are DA, DY and DG hunts. General Elk hunts are EA, EM, EY and EG hunts. An applicant may select up to 4 choices in the General Deer Hunts and General Elk Hunts. However, you cannot mix General Deer Hunts with General Elk Hunts on the same application. If you apply for a General Deer Hunt, then you may select any of the other general deer hunts for additional choices. The same applies to the General Elk Hunts. A person may only submit one big game permit application for each of the general deer and general elk hunts for the big game draw. A person may only obtain one permit per hunt code. Submit payment for the highest priced hunt of the four application choices. If you are selected for one of the less expensive hunts, you will be refunded the difference. If an application contains an insufficient payment amount for one of their hunt choices, they will be disqualified from that hunt choice.
- Youth Hunt applicants are limited to one person per application.
- All incomplete, inaccurate, and illegible applications are subject to being disqualified and returned automatically. **If one applicant is ineligible or disqualified, then all applicants on that application will also be rejected automatically.**
- The Antelope Hunt (AG) is \$25.00 and non-refundable.
- **AG Hunt:** A person drawn for this hunt cannot apply for the AG hunt the next three (3) hunt seasons.
- Legal method of take for Turkey Hunts: **Shotgun and bow only.**
- If you do not receive your big game permit(s) by August 1, 2022, please call (928) 871-6450.

- Camping is permitted while in possession of a valid big game hunting permit.
- Big game hunters must sign their big game permit prior to hunting in order to validate the permit. It is illegal to not tag big game immediately upon making a kill.
- For those people born after Jan. 1, 1970, proof of Hunter Education Certification (Card) must be in possession when taking big game.
- The mountain lion hunt will be published in a separate proclamation at a later date.
- Special Once-in-a-Lifetime hunts, DBHS, DNS and ENS, must be applied for on an individual basis on separate applications. These hunts are at a reduced rate that is non-refundable.

ALTERED, EXPIRED OR WORTHLESS MONEY ORDERS, CERTIFIED OR CASHIERS CHECKS WILL NOT BE ACCEPTED. IN THE EVENT A MONEY ORDER, CERTIFIED OR CASHIERS CHECK IS RETURNED FROM THE BANK, THE PAYEE WILL BE RESPONSIBLE FOR THE SERVICE FEE CHARGED BY THE BANK, AND THE PAYEE WILL REMAIN INELIGIBLE TO HUNT UNTIL ALL FEES ARE PAID IN FULL. DUE TO PUBLIC CONCERNS, ALL SPORTSMEN ARE REQUIRED TO PACK IN/PACK OUT GARBAGE FROM ALL AREAS OF THE NAVAJO NATION.

### **GENERAL INFORMATION**

All Navajo big game permits are issued on an APPLICATION and RANDOM DRAWING BASIS (if necessary) to ELIGIBLE PERSONS. Any individual may submit one hunt application per species for deer and elk, with the exception of the DT, ET, DNS and ENS hunts. This does not apply to left-over permits. A person is restricted to one permit per hunt code. In the event a person submits more than one application per species for deer or elk, the Department will only accept the first application received. The other application will be returned to the applicant.

Anyone required to have VERIFYING DOCUMENTATION must submit those required documents with their hunt application. If documents are not attached, the application is incomplete and will BE REJECTED.

Any person 12 years of age and older may hunt big game on the Navajo Nation when properly permitted. A person under the age of 12 may apply for big game hunts only if he/she turns 12 years of age before the beginning of the hunt(s) they are applying for and has successfully completed a Hunter Education Class.

Persons under 12 years of age, having successfully completed a Hunter Education Course, may hunt small game without a permit if accompanied by an adult (18 years of age or older) who has a valid Navajo Nation Small Game Permit in their possession.

No one born after January 1, 1970, may take any game without having satisfactorily completed a certified Hunter Education Course. For those people born after January 1, 1970, proof of Hunter Education Certification (card) must be in possession when taking game animals.

NO COMPLIMENTARY (free of charge) PERMITS will be issued to any person, with the exception of the Annual Youth Hunt and Annual Youth Hunt fundraising efforts and promotional/marketing purposes.

A limited number of special permits for deer, elk and turkey may be issued or donated through fund raising events, pursuant to the Department of Fish and Wildlife Big Game Permit Donation Policy. Written requests for permit donations must be received on or before November 1<sup>st</sup> of prior year for the following big game hunt season.

Deer densities in Units 6 through 15, excluding 12, are very low. Deer tend to occur in small, widely spaced "pockets". Most resident elk occur in small, local populations. Hunts are designed primarily to control these expanding elk populations.

No person may alter, damage, excavate, deface, destroy or remove any CULTURAL PROPERTIES on Navajo Nation lands. No person may sell, purchase, exchange or transport cultural resources from Navajo lands (Navajo Nation Cultural Resources Protection Act, CMY-19-88).

Hunters dissatisfied with guide services may file a written complaint to the Director, Department of Fish and Wildlife. The complaint should be submitted within thirty days of the hunt and should include a copy of the contract, complaint details and any other relevant documentation. See Section 2.05B of the Navajo Hunting and Trapping Regulation Booklet.

#### APPLICATION INFORMATION

Applications with payment must be received at the Department of Fish and Wildlife Office in Window Rock, AZ, by 5:00 p.m., on May 13, 2022. **THE DEPARTMENT WILL NOT ACCEPT POSTMARKED APPLICATIONS.**

A \$15.00 Application Processing Fee is included in each permit cost. The application processing fee is deducted from each refund.

NO REFUNDS will be made on drawn or issued permits. PERMITS CANNOT BE TRANSFERRED.

If the permit is lost or destroyed, a DUPLICATE PERMIT may be issued at a cost of \$25.00 each. The person whose permit was lost or destroyed must pick up the duplicate at the Department of Fish and Wildlife Office after filling out and notarizing a sworn affidavit. The Department is not responsible for permits lost in the mail; the \$25 duplicate permit fee still applies. It is the applicant's responsibility to ensure that application information is legible and accurate. If there is an error on the Department's part, the Department will issue a duplicate permit at no cost.

APPLICATIONS are AVAILABLE at Fishing and Small Game permit vendors, the Department of Fish and Wildlife Office and on the Department website at [www.nndfw.org](http://www.nndfw.org).

An **eligible person** is a person who returned their survey card by the due date for all big game hunts he/she had a permit for the previous season; has successfully completed a hunter education course, if issued a wildlife violation citation on the Navajo Nation; does not currently have their Navajo Nation hunting and trapping privileges suspended; and are not on the Western State Compact list.

Applications must contain the ORIGINAL SIGNATURE of the applicant, the HUNT CODE, and applicant's Social Security number, HUNTER EDUCATION CERTIFICATION NUMBER, if required. If the applicant is under the age of 18, the parent/guardian may sign the application for the applicant. Incomplete, ineligible, or incorrect applications will be returned to the applicant. A NAVAJO CENSUS NUMBER is required for all Navajo tribal members. **If an application is emailed, electronic signatures and scanned signatures are acceptable.**

Please be mindful of the big influx of applications as the application deadline approaches. Department of Fish and Wildlife staff will assist applicants by screening their applications for accuracy and completeness when time permits.

**Payment must be attached to the application. Payment can be by MONEY ORDER, CERTIFIED or CASHIER'S CHECK made payable to the NAVAJO NATION or by CREDIT CARD, using a Credit Card Authorization Form. CASH and PERSONAL CHECKS are NOT accepted.**

GROUP APPLICANTS (maximum of four (4) per application) can apply for the same hunt choices and will be drawn together, except where specifically prohibited. All hunt applications received at the Department of Fish and Wildlife Office will be handled in accordance to the Department's Procedures for Processing Big Game Hunt Applications. For copies of the procedures, contact the Department of Fish and Wildlife.

Applications received by the Department of Fish and Wildlife will be logged in, screened for eligibility and completeness, and entered into the hunt database in preparation for the draw.

Hunt draw results are confidential. Draw result information can only be released to the individual who applied for a particular hunt or to immediate family members. The social security number of the applicant is required.

### **REGULATION INFORMATION**

Please refer to the Navajo Nation Hunting and Trapping Regulations for all regulations. This Section only highlights certain regulations.

ALL FISH AND WILDLIFE ARE PROPERTY OF THE NAVAJO NATION AS A WHOLE. All game, fish and other wildlife are protected on the Navajo Nation and may not be taken, possessed or transported unless specifically permitted. Hunting on the Navajo Nation is a privilege. The Navajo Nation reserves the right to refuse hunting privileges to anyone. All regulations in the Navajo Nation Hunting and Trapping Regulations booklet shall apply. It is the Hunter's responsibility to familiarize themselves with them.

A person may not use any aircraft, including drones, to locate or take any wildlife.

IT IS UNLAWFUL TO POSSESS A FIREARM WITH LIVE AMMUNITION IN THE FIRING CHAMBER IN OR ON ANY MOTOR VEHICLE.

HUNTER ORANGE REQUIREMENT: Any person (including hunt guides or others accompanying the hunter) in the act of taking big game is required to wear a minimum of 300 square inches of daylight fluorescent orange during any hunt allowing the use of any center-fire firearm.

An ANTLERED DEER shall mean a mule deer with at least one 2" antler. SPIKES are LEGAL. An ANTLERLESS ELK shall mean an elk with no visible antler (i.e. cow or calf bull). A BUCK ANTELOPE shall mean a male pronghorn antelope with a horn longer than its ear.

It is unlawful for anyone to intentionally interfere with a lawful hunt, including illegally denying access to trust lands. If a hunter encounters a locked gate, contact the Department of Fish and Wildlife for assistance.

### **\*\* WIN A GENERAL DEER or GENERAL ELK PERMIT \*\***

Two (2) separate random drawings will take place for eligible hunters.

**1<sup>st</sup> DRAWING:** Two (2) 2023-2024 general deer and two general elk hunt permits will be given away as prizes for any eligible hunter who had their animals checked out during the 2022-2023 big game hunt season. Deer check stations will be operated both weekends of the General Deer Hunts. All other hunters can have their animal checked out at the Department of Fish and Wildlife Office in Window Rock, AZ, or in the field if a Department of Fish and Wildlife employee is available.

**2<sup>nd</sup> DRAWING:** One (1) 2023-2024 general hunt permit will be awarded to any eligible hunter who submits the head of their deer or elk for Chronic Wasting Disease (CWD) testing within 48 hours of making a kill. Tissue samples can be collected at deer check stations or you can bring the head to the Department of Fish and Wildlife Office in Window Rock, AZ.

These permits do not count against the one permit per species per person. However, an individual is still limited to one permit per hunt code.

A hunter having their deer/elk checked out **and** submitting tissue samples for CWD testing will be in **both** drawings. A hunter may receive only one prize permit/season. Department of Fish and Wildlife employees are not allowed to be in the drawings. For more information, call (928) 871-6450.

## NAVAJO SENIOR CITIZEN AND NAVAJO VETERAN PERMITS

Navajo Senior Citizens, age 60 and older and Honorably Discharged Navajo Veterans may purchase big game hunting permits (excluding DT, ET, DNS, ENS, DBHS, and AG hunts) at half price. A document showing proof of age must be submitted with each hunt application for Navajo Senior Citizen permits, unless the Department already has a copy on file. This also applies to leftover permit applications.

Navajo Veterans may purchase big game hunting permits (Excluding DT, ET, DNS, ENS, DBHS, and AG) at half price. A copy of Form DD-214 or Honorable Discharge Certificate from the Armed Forces of the United States must be submitted with each hunt application for Navajo Veteran permit, unless the Department already has a copy on file. This also applies to left-over permit applications. NOTE: A person may apply for only a Senior Citizen permit or a Navajo Veterans permit; not both.

## NAVAJO SPOUSE PERMITS

Non-Navajo Spouses may only receive one permit per species using the Non-Navajo Spouse provision. This includes left-over permits.

Non-Navajo spouses married to Navajos may purchase big game hunt permits (excluding DG-7, DT, ET, DNS, ENS, DBHS, and AG hunts) at the Navajo price. A copy of the marriage license, Navajo Spouses Certificate of Indian Blood (CIB), and a notarized affidavit dated on or after April 19, 2021 stating the applicant is still legally married to a Navajo, must be submitted with each hunt application. The Navajo Spouse Permit provision is not available for widows of Navajo Spouses.

## SPECIAL REGULATIONS FOR THE NEW LANDS

No shooting is allowed within one (1) mile of any of the range unit housing clusters or rural community, or within one-half (½) mile of any access road to a housing cluster or rural community. No camping is allowed within one-half (½) mile of any natural waterhole containing water (including seeps and/or springs) or manmade facility containing water (including stock ponds and/or windmill troughs) that are available to big game. Off road vehicle travel is prohibited. New Lands gates are locked. Permitted hunter(s) can check-out a key to New Lands at the Fish and Wildlife Office. The key must be returned once the hunt is completed. A portion of the revenue generated from the New Lands hunts will be utilized for management on those lands.

**Navajo Agricultural Products Industry (NAPI) Lands: NAPI is closed to big game hunting.**

## SURVEY CARDS

All big game permit holders must complete and return the big game hunt survey card provided with their permit to the Department of Fish and Wildlife, even if they did not hunt or make a kill. **HUNT SURVEY CARDS ARE DUE WITHIN 30 CALENDAR DAYS AFTER THE END OF THE HUNT THE PERMIT WAS ISSUED FOR.** Failure to return the required survey card by the due date will cause you to be ineligible for the following big game hunt draw. A hunter that fails to return their survey card may pay a \$100 penalty fee, per hunt, in order to become eligible again. Survey cards will be accepted by mail, email or drop box at the Department of Fish and Wildlife Office only and will be handled in accordance to the Department of Fish and Wildlife Survey Card Handling Procedures. We recommend permit holders mailing a survey card, send it certified mail and/or call our office for confirmation of survey card receipt before the survey card deadline. We also recommend the survey card be emailed and the email will serve as a receipt. Survey cards hand delivered to the Department of Fish and Wildlife Office will be dated and initialed by Department personnel. Survey card information can be called in to the front office at the Department of Fish and Wildlife if the survey card is lost. **You are still responsible for submitting your hunt survey even if you never received a permit in the mail or did not hunt. Hunt surveys can be submitted over the phone by calling the Fish and Wildlife Office at (928) 871-6450.**

## GUIDE REQUIREMENTS

A GUIDE (OUTFITTER) PERMIT is required for any Navajo who, for pay or gain aids or assists another in the taking of wildlife. The guide permit does not assure consumer satisfaction. It is recommended that potential clients check references before hiring a guide. Only Navajo tribal members are eligible for a guide permit and they must be eligible to hunt. The Guide permit cost is \$50 per applicant per season. The Guide permit application and payment deadline is May 13, 2022.

The following are Guide requirements and documentation must be attached to a Guide Application: Must be 21 years of age. Must show proof of Hunter Safety, First Aid Certification, Valid Driver's License, and Motor Vehicle Liability Insurance.

Must attend a Department and Navajo Guide Association sponsored Guide Workshop once.

1. Must have no felony or more serious misdemeanor convictions in the last five (5) years; and must not be on the Department's ineligible list. If ineligible for not meeting survey card requirements, the applicant is required to pay the \$100 penalty fee, per hunt, in order to receive a Guide permit. The guide will only be eligible for left-over permits.
2. Guides must submit two Law Enforcement background checks with their Guide Application. The background checks must be from the Navajo Nation and the state within which they reside. Background checks for first-time guides must go back a period of five years.
3. Guides are required to have a written contract with client(s) for each hunt where guiding services are provided. Guides must provide a copy of each contract to the Department of Fish and Wildlife.
4. Each guide must submit a guide report to the Department of Fish and Wildlife by March 31, 2023 whether or not any guiding activities took place. Failure to do so will result in the suspension of guiding privileges for the following big game season. A guide may pay a \$100 penalty fee to be reinstated, if they submit a late report.
